

Carlsbad High School Women's Soccer
2008 – 09

Important, please read....

Dear Parents and Players,

After this initial information packet, most communication with you will be done through email, so PLEASE, check it often during the soccer season. The following item needs to be addressed promptly:

VARSITY TEAM TRANSPORTATION TO AND FROM THE AWAY GAMES...

Due to the earlier game time, the bus during the school week will provide transportation for the Frosh & Jr. Varsity teams ONLY. Students are not allowed to drive themselves to and/or from the games, therefore, either the varsity player's parent drives her to the game or arrangements will be made for her to ride with another player's parent.

I need to hear from every parent and/or player to confirm that they either:

1. need a ride
2. will not need a ride
3. or will be able to help provide transportation to others.

The varsity team captains will set up transportation arrangements. Parents please complete the "transportation form" included in the packet and have your player return it promptly. (It would be nice if all parents would help with the driving)

****Drivers will be needed for the first away game @ La Jolla HS on Dec. 1st and the Cathedral Tournament which is scheduled for December 4th –6th.**

Please email me at reginaz@roadrunner.com, call me at 419-5422, or speak directly with one of the captains ASAP regarding this subject.

Thanks for your cooperation,

Regina Zambon
