

Carlsbad High School Women's Soccer
2007 – 08 Season

Important, please read....

Dear Parents and Players,

After this initial information packet, most communication with you will be done through email, so **PLEASE**, check it often during the soccer season. The following item needs to be addressed promptly:

VARSITY TEAM TRANSPORTATION TO AND FROM THE AWAY GAMES...

Due to the earlier game time, the bus during the school week will provide transportation for the Frosh & Jr. Varsity teams ONLY. Students are not allowed to drive themselves to and/or from the games, therefore, either the varsity player's parent drives her to the game or arrangements will be made for her to ride with another player's parent.

I need to hear from every parent and/or player to confirm that they either:

1. need a ride
2. they will be able to help provide transportation for others
3. or that they will not need a ride.

The varsity team captains will set up transportation arrangements. It would be nice if all parents would help out with the driving. Parents, please complete the "transportation form" included in the packet and have your player return it promptly.

Drivers will be needed for the Cathedral Tournament which is scheduled for December 6th - 8th.

Please email me at ceceocean@aol.com , call me at 729-9409/home and leave a message or 519-9409/cell, or email Anita Atkins at anita@girlsplaysoccer.com, or call her at 729-8976/home or 586-1155/cell, or speak directly with one of the captains ASAP regarding this subject.

Thanks for your cooperation,
